

Chapter 90 - Streets, Sidewalks, Alleys, and Driveway Entrances

90.010 All streets and sidewalks shall be constructed and replaced in accordance with the City of Moscow Mills Street and Sidewalk Construction Standards.

90.210 It shall be unlawful for any person or persons to move or cause to move or be moved any engine, heavy machine or tractor having flanges, lugs or other device projecting from the outer surface of the wheel or wheels thereof in such manner that the said projecting part on said wheel or wheels cuts or presses into the surface of the streets of the City.

90.260 No building of any kind, nor any structure in the nature of a building, shall be moved over or along any street or alley of the City without the written permit of the Chief of Police or designee; said permit, if granted, shall name the street(s) or alley(s) upon which such building shall be moved, the date and time when it shall be moved, and the conditions upon which it may be moved. It shall be unlawful to move such building or structure unless in compliance with the written permit. This section shall not apply to moving a mobile home, or other structure, which requires a Missouri Department of Transportation permit.

90.280 It shall be unlawful for any person or entity to place or keep any obstruction on the streets, sidewalks or alleys of the City so as to interfere with or impede pedestrians or vehicular traffic.

90.300 It shall be the policy of the City of Moscow Mills to repair or remove sidewalks at the discretion of the Board of Aldermen.

90.330 It shall be unlawful for any person or entity to build or construct a balcony or awning so that same extends beyond the property line. This section shall not prohibit the use of canvas awnings over the entrance of doorways and/or windows.

90.400 Driveway entrances located within the public right-of-way shall not be maintained by the City including snow removal and structural integrity.

90.410 It shall be unlawful for any person or entity to build or construct any driveway entrances over any sidewalk, street or alley without first complying with City ordinances.

90.500 Any person found guilty of violating the provisions of this Section shall be subject to a fine of \$1.00 to \$500.00, plus any additional fine set by the court, in accordance with Missouri Revised Statutes, and court costs.
